

MAEE

Smarter than ever.

This is smart: **Education recruitment + solutions in one event**

What happens when the region's leading teacher development and recruitment association combines its two most important annual events (job fair and conference) into one must-attend opportunity?

What happens when it teams up with the organization respected nationwide for channeling high schoolers towards teaching careers?

What happens when an association rolls up its shirtsleeves to become even more practical, valuable, and budget-wise to members?

The answer is MAEE, now helping you make the best use of your time and resources by combining our annual Job Fair and Conference.

Regardless of whether you've attended an MAEE job fair or conference in the past, we urge you to **take a fresh look** at our new combined event and MAEE membership now. Go to to

maeonline.org

for details on the event and on the new MAEE — the professional organization for Mid-Atlantic region school system personnel administrators, school district recruiters, and college and university career services professionals. Join the new MAEE. Smarter than ever.

MAEE's re-tooled, re-energized Annual Job Fair & Conference connects members with on-point ideas and research, colleagues from regional school systems and higher education, aspiring teachers, and the benefits of our new collaboration with the Future Educators of America (FEA). It's just one of the many ways the new MAEE is helping members better meet the challenges every year presents and lay the groundwork for long-term progress.

Mid-Atlantic Association for Employment in Education builds the skills, knowledge, networks, and success of professionals responsible for developing and recruiting public and private school teachers in DE, DC, MD, NJ, NY, PA, VA and WV.
